

List of EURAMET NMIs and DIs and, where known to EURAMET, the associated legal entities that can participate in Partnership projects

Legal entities of NMIs, and of DIs participating in the technical area for which they are designated, may only participate as funded partner of the type indicated in the final column.

Legal entities of DIs participating outside of the technical area for which they are designated (i.e. not the DI participating) may only be funded as External Funded Partners.

All may participate as an unfunded partner.
